## LEADERSHIP FOUNDATIONS PROGRAM

Real-world leadership  
training for people managing  
conflict, pressure, and  
high-stakes decisions.

## Unlock Your Leadership Potential with Evidence-Based, Personalized Assessments

The Leadership Foundations Program brings evidence-based research and applies it to identify the paths to positive leadership, winning environments, and personal success.

Our three-month leadership program (two days per month plus one graduation day) prepares emerging leaders in the public and private sectors for 21st-century challenges. With a high-quality curriculum (applied VIRTUALLY and In PERSON), participants gain insights into their strengths and developmental needs, improving communication, influence, relationship-building, and interpersonal skills.

**GRADUATES LEAVE WITH A WELL-ROUNDED LEADERSHIP TOOLKIT.**
